## CO- Manager Meeting

**January 28-29, 2014**

Theme: Who is holding your ladder?

Item: wooden ladder and foam hands

Getting things that are out of reach.

Step stool

Small Ladder

Tall ladder (changing air filter, praying no earthquake)

Climbing a ladder for illustration only.....

Around here no one that I work with ever has an area of greater than thou attitude, yet there are kind of positions around here occupied by experienced and trained people (hopefully)

Some not because of any kind of attitude on their part, but because of tasks they perform we may consider higher up on a ladder.

Your goal hopefully is to (in the right time) become a manager for Hoblob, A DM and RVP.

Good leaders are always looking for good leaders...WHY

Leaders tend to find themselves in new places

Leaders are always excited about new possibilities

Be the best ladder holder you can be! And, when it is your time to climb that ladder, if you did it right or in the right attitude.....there will be someone there to hold it for you.
