

Helps for Bible Study

TWO MYTHS ABOUT THE BIBLE

1. The Bible is too difficult to understand.

If you come across parts that are difficult to understand, do not assume the whole Bible will be like that. Do not stress or become discouraged over what you do not understand. Instead, be thankful for the parts you do understand. Leave difficult passages alone until another time or season in your life. Getting involved in a good Bible study group or Sunday school program will also help you understand the Bible.

2. The Bible is boring.

The Bible is alive! There is drama, crime, devotion, lust, murder, family feuds, war, deliverances, miracles, and every conceivable aspect of human existence addressed in the pages of this Book. Reality TV has nothing on the Bible.

God, I pray that You will fill all of us with a hunger for Your Word.

“He hath filled the hungry with good things...” (Luke 1:53)

All those that hunger will be filled with good things! Amen.
